Product Data

HYDRONIT* material. Versatile and durable wipes, economical in use. Thanks to their highly absorbent cellulose fibres, these wipes are ideal for light cleaning processes in the industrial sector. They are exceptionally high-quality, robust and textile-like wipes that can cope with even the most difficult requirements. Particularly tear-resistant, wringable and reusable, even when wet. Solvent-resistant and fast-absorbing.

Item No.	type no.	Price
18.9380.71	Wypall X60	CHF 195.80

* The prices are non-binding and are to be understood as selling prices in Swiss francs without value added tax (VAT), as well as all other fees, charges and taxes. The prices displayed in the eShop may differ from the PDF file due to regular updates.

** Please note that when ordering chemicals and detergents, transport and packaging costs for hazardous goods as well as legally prescribed fees are charged. These will be shown in detail on the order confirmation, which you will receive in addition to the confirmation of receipt.

*** Further information such as technical information and safety data sheets can be found online in our eShop.
